To all the Bader Braves Volunteers,
The Pembrokeshire Flying Club
Haverfordwest Airport,
Fishguard Road,
Haverfordwest,
Pembrokeshire, SA62 4BN.

Monday 26th September 2016.

Dear Friends,

Please excuse this rather impersonal way of conveying my gratitude to you all for your magnificent and invaluable contribution towards the success of our Bader Braves Day with you on Saturday 17th Sept and the fact that it is long overdue; Jess and I decided to make the most of the lovely coastal scenery that is on your doorstep by staying down for a few days extra!!

Once again you have pulled out all the stops ensuring that the youngsters and all of their family members had a truly wonderful flight experience and took home some great memories; certainly, judging by the enormous number of happy faces at the end of the day, there was little doubt that everyone had enjoyed a great day and we are all indebted to each and every one of you.

John and I are already in discussion about returning in 2017 and I am pleased to say that all looks very promising right now, just waiting for him to come up with a date! Hopefully our paths may cross again before then as it is always a real treat to be at such a happy club as yours in Haverfordwest but, if not, I hope to see you all again at our event next year.

Best wishes and, on behalf of all the Braves, their families and everyone at The Douglas Bader Foundation, thanks again.

Yours sincerely,

Keith (by Jess of course!!)

Keith Delderfield.
Director of Operations.
